Incredible as it seems, the year has come to it's end. Three of us being seniors, it also means the end of our high school years. We are now faced with looking ahead and making personal choices about our future.

In this book we have tried to impress upon you the importance of the new decade you are facing. Each of you will make a decision about your future and hopefully it will be the right one. May each of you find the key that will unlock your future and bring the best years of your life.

In Memoriam

Ethelyn Handran
1901-1979

In memory of Miss Ethelyn Handran, who in 1947 founded the Emerald Yearbook and acted as the advisor for ten years, we dedicate this book. May our efforts in compiling this publication live up to the standards which she set so many years ago.

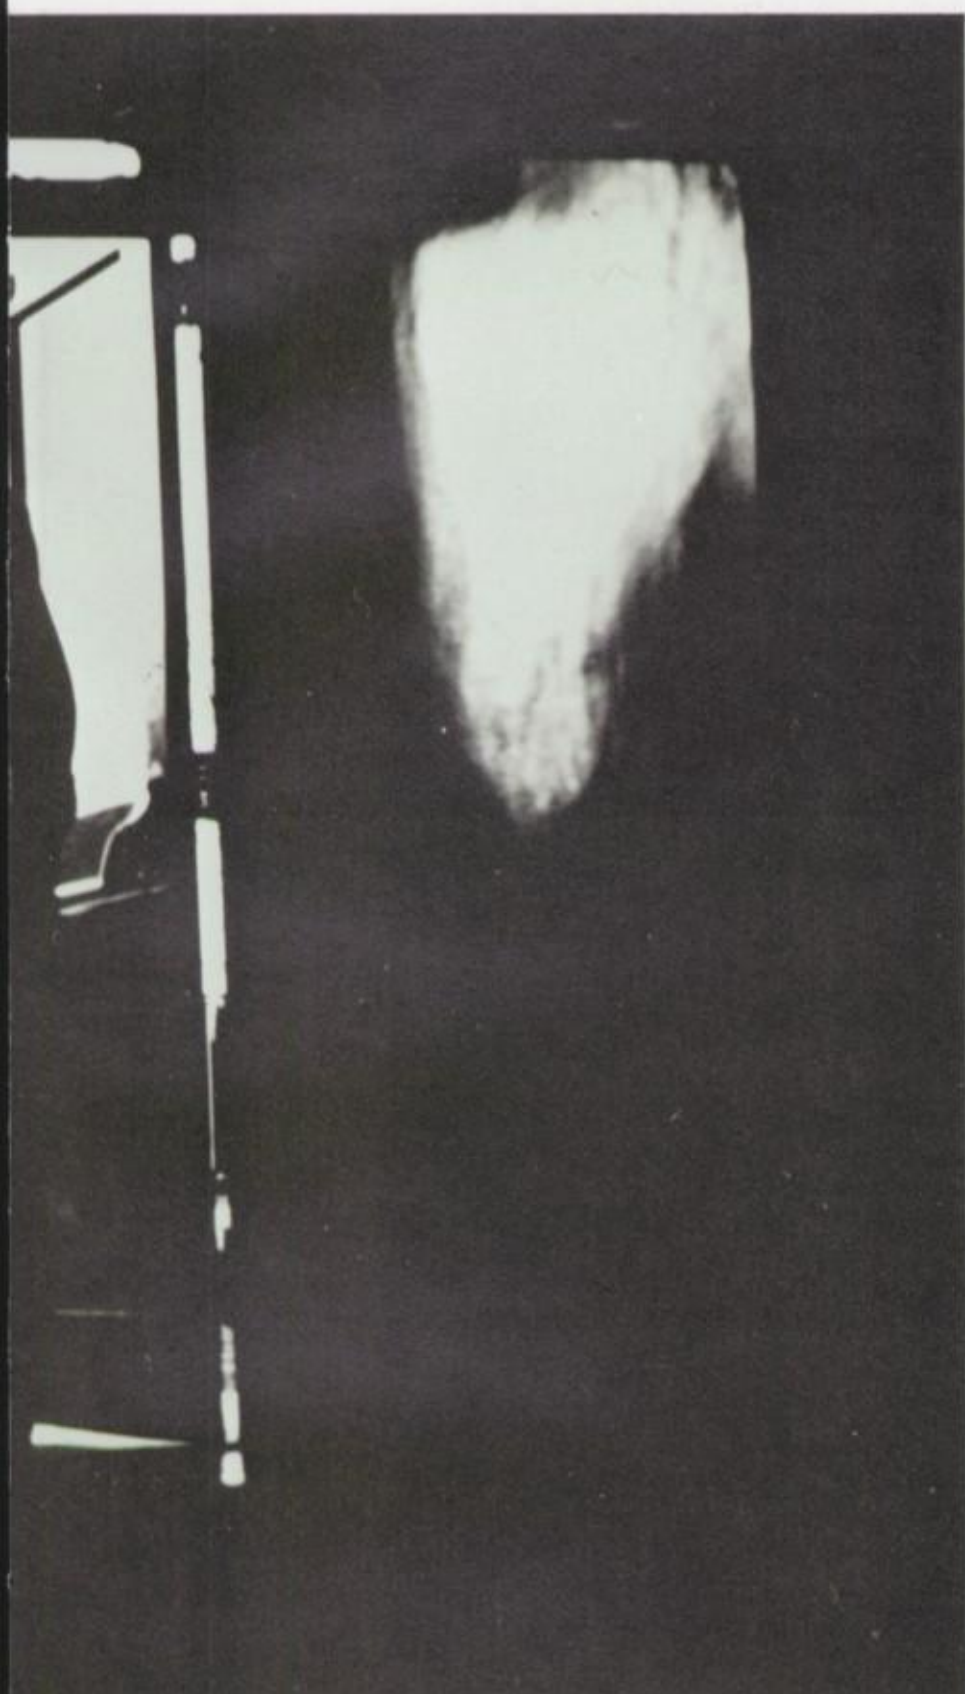

1980

The Beginning Of A Decade

The year 1980 brings with it a presidential election, a declared fuel shortage, higher gas prices, inflation, a possible recession, threats of nuclear war, a rising crime rate, higher tuitions, the chance of a higher drinking age, drug abuse problems, etc. but still we must remain optimists. With the Lord's blessing we will elect a well-qualified President, win many gold medals at the Olympics, and enjoy a healthy, happy life. We must plan for the future — whether it be a job, higher education, or marriage and a family. The key is in our hands.

WHAT WILL TOMORROW BRING

Life is full of ups and downs
There is no guarantee
Of what tomorrow holds in store
And no one can foresee
What sudden changes lie ahead
What challenges we'll meet
What hope will reach fruition
What dreams end in defeat.
We often wish the book of life
Would spread its pages wide
So we could learn our destiny
By what we read inside.
But this will never happen.
We were only meant to scan.
The pattern of existence
In a shorter, smaller scan.
Yes, as we look around us
We find most lives contain
A pretty equal measurement
Of happiness and pain.
And if we make each hour
Of every single day
Important and fulfilling
In some very special way
We're sure to have a reservoir
Of untrapped energy
To meet tomorrow's challenges
Whatever they may be!

The Doorway To Our Future

HOMECOMING EVENTS

After a successful Homecoming parade, the crowd rushed to the football field for the pep rally. Spirit was high as students participated in contests and the Homecoming court was announced: Queen-LeAnn Knurr, King-Chris Benovides; Sr. Reps-Dawn Forrest and Kevin Ketterhagen; Jr. Reps-Renee Vandeenboom and Ted Keyes; Soph. Reps-Cheri Matezevich and Kevin Kennedy; Fresh. Reps-Marie Gresl and Beto Guardiola. Friday Night Big Foot defeated us in an exciting game 14-12.

Presenting the 1979 Homecoming Reps.

WALKING THROUGH THE PARK AND REMINISCING

October 4, 1979 ...Reminiscing ...that's what a lot of the Seniors were doing at the Homecoming dance, thinking back over the past years. Sounds sad, doesn't it? But it wasn't! The dance, featuring the band Burst, was a success. At ten o'clock the grand march took place, along with the coronation of the king and queen. The band played a song in honor of the court and then everyone else joined them in dancing. Couples danced to the last moment, hoping that the night would never end. But when the clock read 11:30, the gym cleared out and everyone left with a memory they would never forget.

Queen LeAnn and King Chris dance to the traditional song.

John, Joyce, Bob and Kim take a time out.

Some classrooms had been repainted, Mr. Zuelsdorf's office had been moved to the Main Office, a new guidance counselor had been hired and Room 102 had been converted to a new teacher work room and lounge. Six new teachers joined the staff this year. They are Ms. Deichl, Mr. Little, Mr. Koprowski, Mr. Lewis, Ms. Jante, and Mrs. Morris.

Barnwood paneling covers the walls of the newly remodeled suite of administrative offices on the first floor. The rust carpeting, antiques, and wild-life scenes add a masculine touch to each of the rooms. Mr. Zuelsdorf's moving to the Main Office has created a different "traffic" pattern for much of the student body. Many a morning finds a long line of students waiting outside the main office windows to buy lunch tickets or get a blue admittance slip for the previous days absence.

WHATEVER YOUR GIFT

What is that you hold in your hand?
 Nothing, you say? Look again.
 Every hand holds some special gift —
 A hammer, a broom, a pen,
 A hoe, a scalpel, an artist's brush,
 A needle, a microscope,
 A violin's bow, a way with words
 In the giving of faith and hope.
 What is that you hold in your hand?
 Whatever your gift may be,
 It can open your door to abundant life —
 You hold in your hand the key.

Juniors Show Spirit

No one can say that our class doesn't have spirit. Whether we're part of the football team or part of a chemistry class we put forth our best effort. Throughout our years of high school, our friendships have grown and we are like one big team now. We've made it this far in success and it'll always be that way if we stick together 'cuz we're the class of '81!

Looking Ahead

Juniors — looking toward the future. No longer children but young adults who are planning for our lives after High School. Whether our choice is college, technical school, or a job, the decisions we made this year will affect the rest of our lives. But what triumphs the future holds for each of us remains to be seen.

"Kermit" Float Does Well

This was the first year the sophomores were able to build a float. They had a lot of fun spending their spare time decorating. Even though their float didn't win, the class should be proud of its accomplishment. For their first attempt at chicken wire and tissue paper construction, the float turned out to be a success.

Girls Choice

Every February the sophomore class sponsors a special dance called "Sadie Hawkins." This dance is different because the traditional role is switched — the girls ask the boys to the dance and treat them to dinner. At the dance the couple can get "married" by Sadie and Marrying Sam. It is a fun dance and good chance for the girls to get up the courage to ask out that "favorite guy."

One Down. Three To Go

Our first year is over. Now we can all say how great it feels to fit in at WHS. Getting to meet new faces, see new places and have new experiences was terrific. If only we could do it all over again, but we must remember that we have to move on, because we have one down and three to go!

Wolverines Have Heart

The varsity football team started the season with great hopes after defeating Racine Lutheran in a non-conference game. The highlight of this year's season was the game against our arch rivals, the Burlington Demons. Even though the Wolverines lost, they were the only team in the S.L.C. to score against the Demons this season. The varsity team record for 1979-80 was 2-6.

Freshman Undeclared

The sophomore football team came close to a .500 record with 4 wins and 5 losses. Some of the outstanding players were David Benavides, Ron Chart, and Greg Hoppe. Coach Koprowski did a fine job for the first year in this school.

The freshmen did something that hadn't been done in 17 years by going undefeated with a 6-0 record. Mr. Christiansen and Mr. Sadowski were able to do great things this year with players like Ron Aune, Beto Guardiola, and Harlan Stritchko.

Cheering was not the only thing the cheerleaders did over the football season. They also sold homecoming buttons and had a spirit week during homecoming. Included in the week were crazy sock day, crazy hat day, and celebrity day. Varsity cheerleaders received new uniforms and "Go Big Green" whistles were worn.

J.V. Finish 8-5

The J.V. team consisted mainly of juniors and sophomores. With hard work they finished the season with an 8-5 record. The freshman team was inexperienced. They made up for this by showing good spirit and promise for next season.

Boys Finish 6-5

Boy's Cross Country had a fairly good season despite many injuries early in the year. The Varsity finished with a 6-5 record. The J-V finished with a 7-4 record showing promise for next year.

Girls Run Hard

The Girl's Cross Country team had a challenging season against tough competition. The captains Joyce Ketterhagen and Cindy O'Leary, along with freshman Terry Schmidt led the team. Joyce Ketterhagen was selected Most Valuable Player. Because it is a young team, it has a promising future.

Girls Receive New Coach

This year's team was a young team with only three senior girls as members and Mr. Pierce with his first year as their coach. Overall record for the season was 4-5. The girls finished sixth in conference where Dawn Stalbaum placed third in second singles and Denise Markey placed second in fourth singles. Co-captains Denise Markey and Gwen Gilberg showed leadership in keeping the team together.

The Girls golf team worked to get a conference record of 6-1. Captain Thea McDermott placed third in conference, first in the sectionals, and ninth in state. Coach Frye felt this year's team was the best in years. They showed a great attitude and everyone worked to the best of their ability.

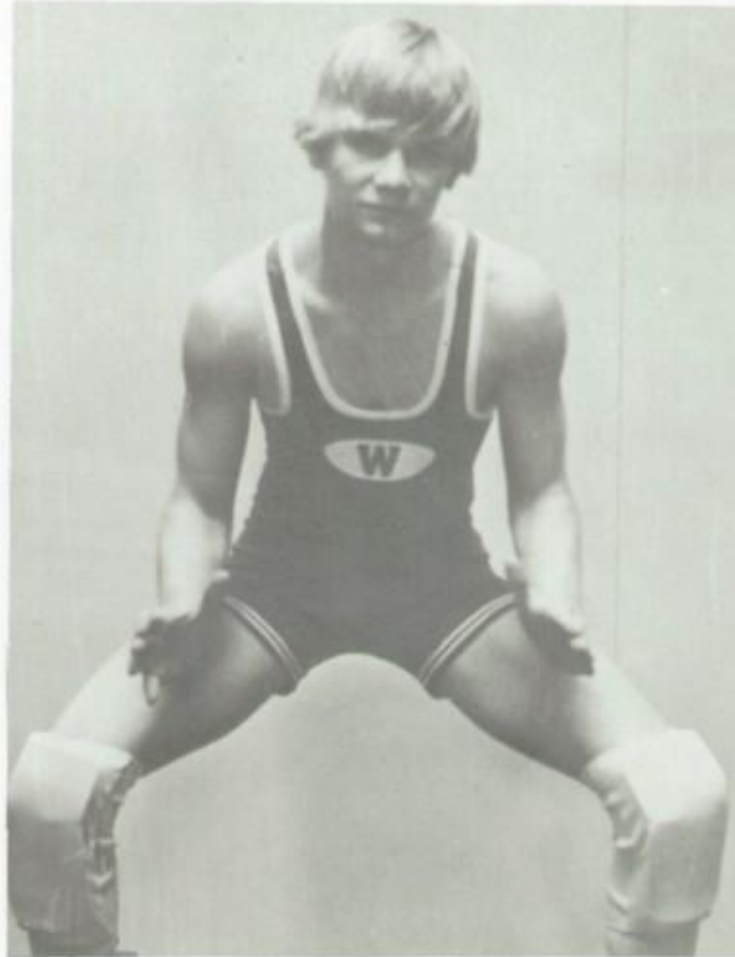

Thea McDermott received the MVP award.

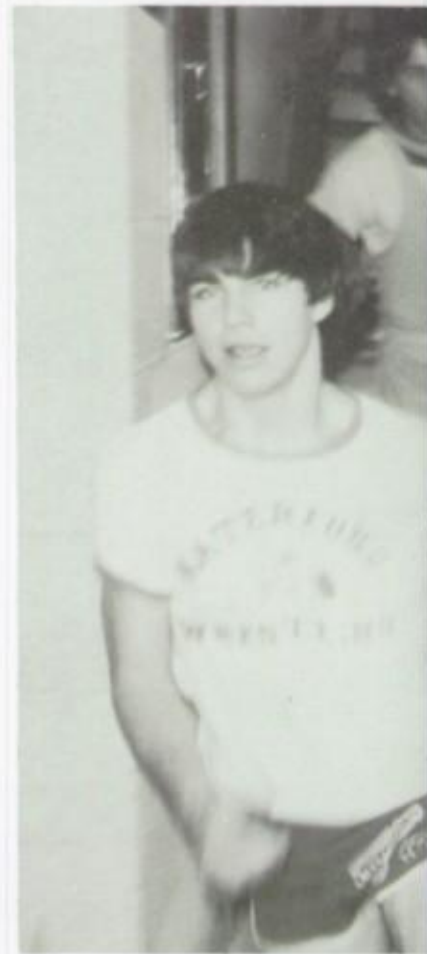

Coach Frye worked hard teaching the girls at Rivermoor Country Club.

Grapplers Capture First In

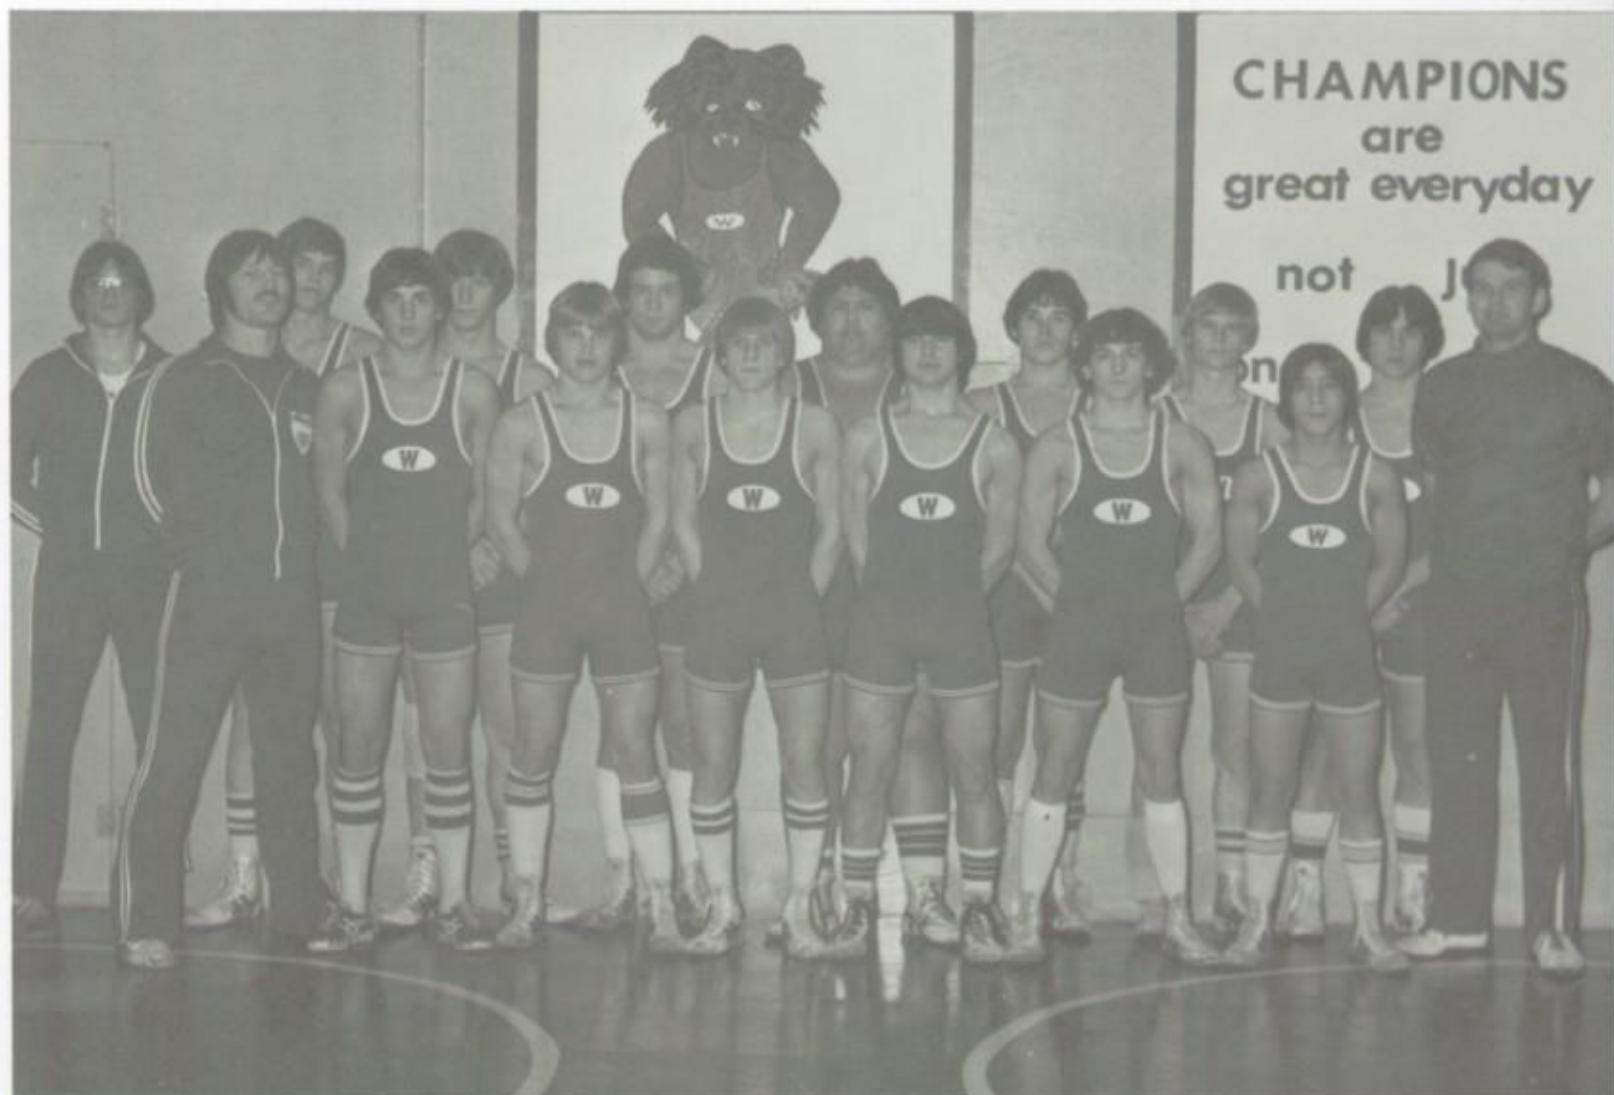

The 1979-80 wrestling team was a team of contrasts. The expectations for the season were very high only to be lowered by injuries, growth problems and an opening season loss. To contrast this dismal start the team won its next two dual meet and captured the team championship in the Lakeshore Classic Tournament. As the season progressed the team reflected its contrasts in meet results. The Wrestling wolverines defeated the formerly undefeated East Troy Trojans and snapped a 29 meet winning streak. The team was led by senior captains Fidel Guardiola and Dirk Jozwowski.

Dirk Jozwowski was senior co-captain.

Gymnasts Receive New Coach

Under the leadership of Donna Natzke, as the new head coach, the girls gymnastic team greatly improved its conference record. Pete Bailey, who is the assistant coach, lent his experience in the field to the team.

Although there were four returning letter winners the team lacked depth in certain events at the start of the season. However, as the season progressed varsity gymnastics along with JV worked hard to fill these spots. Leading the team in competition was junior all-around Cari Buchal followed by sophomore all-around Judi Weber. Both the JV and Varsity teams had a very successful season.

Several of the J.V. girls moved up to the Varsity squad during the season. These girls were Deanna Siwek, Brenda Kieffer, and Barbara Howell. The team had good depth and will probably have more members transferred to the Varsity squad again next year.

Young Teams Show Promise

The girls varsity basketball team was a young one this year. A majority of the team consisted of underclassmen. Because the team was so young and worked so hard, the coaches are looking forward to an even better team next year.

The B-team or J.V. is made up of mostly sophomores. This was the first year for many of the girls, but they are doing great because of their devoted practice and help from last years experienced players. The youngest team is the freshmen team. They are a very athletic group and have shown tremendous improvement. Next year many of the girls will be moving up to either the J.V. team or the varsity team.

Another Successful Season

Our successful varsity basketball team, under second year coach, Mr. Sadowski, finished again near the top. Starters included seniors Kelly Mealy, Mike Bunch, Marc Chart and Ken Rudzinski who ended the season as one of the top scorers of the Southern Lakes Conference. There were many exciting games, such as the Union Grove battle which we won on a buzzer shot by Ken Rudzinski and the victory over Salem in overtime.

B-Team Develops As Team

The B-team really improved over last year with Coach Harmeling's assistance. They suffered only several defeats this year and will be successful next year as the varsity team. The freshman team learned to work together. Coach Brandstetter helped them complete a successful season with the basic principles of play.

Spirit, Cheers, Pep Assemblies

The duties of the cheerleaders were to encourage school spirit. They accomplished this by sign-making, organizing pep assemblies, and sponsoring several dances. Mrs. Doris Noltner advised the girls. Captains were Joyce Ketterhagen on varsity and Kim Zeiler on the sophomore squad.

There was a new addition for the wrestling cheerleaders. Each girl made a green and white pillow for herself to sit on during the games. The pillows had embroidered names and pictures on them. This made their job easier cheering alongside the wrestling mats.

The freshmen basketball cheerleaders raised spirit during the boys' games. They had to learn all the school cheers from practice after school. They performed at the afternoon games. Captain was Michelle Bosch.

Our Peppy Pom Pon Girls

If you were wondering where all the Pom Pon girls were after school, you could find them practicing and perfecting their routines in the cafeteria. The girls entertained us at half time during football and basketball games. They all found out that being a Pom Pon girl was a full time job, but the audiences appreciated their efforts and made it all worthwhile. A summer candle sale helped raise money for uniforms.

Both groups meet on a daily basis, however, some members of mixed chorus alternate with band.

Concert Band

Concert Band is really the Junior Varsity Band. It is open to enthusiastic freshmen musicians. They are mostly a concert band, as their name says, but they do march in the two parades and usually for the Homecoming halftime show. They give concerts, participate in solo-ensemble, and the whole band enters in district competition.

Varsity Band marches while they entertain with one of their tunes.

Stage Band/Pit Band

The stage band is a group of dedicated and talented musicians. It is a performing group and most of its performances are outside of school activities. Because the group is small, everyone has a big responsibility of playing their part to the fullest.

"Hello Dolly" could never have gone on without the pit band.

Each year the pit band puts forth its best effort to make our musicals successful, and that is what it did for "Dolly". There were minor problems in coordinating the script with the music, but it was nothing that a little practicing couldn't fix.

The Emerald Yearbook

The summer of 1979 four of the Emerald staff attended a workshop at UW-Whitewater and a seminar at Alverno College to learn how to compose a yearbook. However, the Fall of 1979 found only one of these staff members active under a new advisor, Mrs. Finney.

Editor Kim Engel put in many hours of hard work to organize the book. The staff learned the frustration of waiting for photos and copy when a deadline was only days away. However, by working together the staff, photographers, and art department met the deadlines and are proud to present the Emerald of 1980.

Our advisor, Mrs. Barbara Finney, spent many hours working on the yearbook.

I want to say how fortunate I was to spend a whole year with a great family - the Eagans. I never would have believed that I could become so close to someone so far from my native country.

After enjoying family life for a month I started school with some strange feelings. Coming from a very small school and not knowing too many people here, I felt pretty lost. But soon I got to know more and more of you. You all have been great. I want to thank you for letting me be a part of your friendships. I appreciated it very much.

I especially liked all the activities going on besides school, what was also new to me! I enjoyed joining several clubs, seeing all the highlights of the sports-scene and much more.

"I found a second home here!"

Auf Wieterschen,

Eure Birgitt

(Austria)

I am grateful to all of the teachers, students and other people associated with WHS for having given me their friendship and help in the months I was in attendance.

The year I have spent with you has been truly wonderful. My memories of life in an American school will be enriched by the memories of all of you.

My sincere thanks goes to my host family, Mr. and Mrs. Robert Keyes. They were truly my family this past year and I deeply appreciate how warmly each of them accepted me into their family circle.

I especially want to thank Mrs. Smith, Mrs. Matthews and Mrs. Porn and all the other people associated with the A.F.S. program for their kindness and help in making this past year a truly unforgettable experience.

Neither distance nor time will erase from my mind the wonderful memories of WHS and the people I have come to know here.

And now, reluctantly, I must say so long and good luck.

“HELLO, DOLLY!”

Our Fall musical, “Hello, Dolly!”, was a great success. The singing and dancing led by Bridget McGowan as Dolly Levi and Bob Bubon as Horace Vandergelder was done at a professional level. Curtain calls were done to standing ovations. Mrs. Mary Ann Bousquet and the cast and crew should all be very proud of their presentation. Well done!

FAREWELL NOW, MY FRIEND

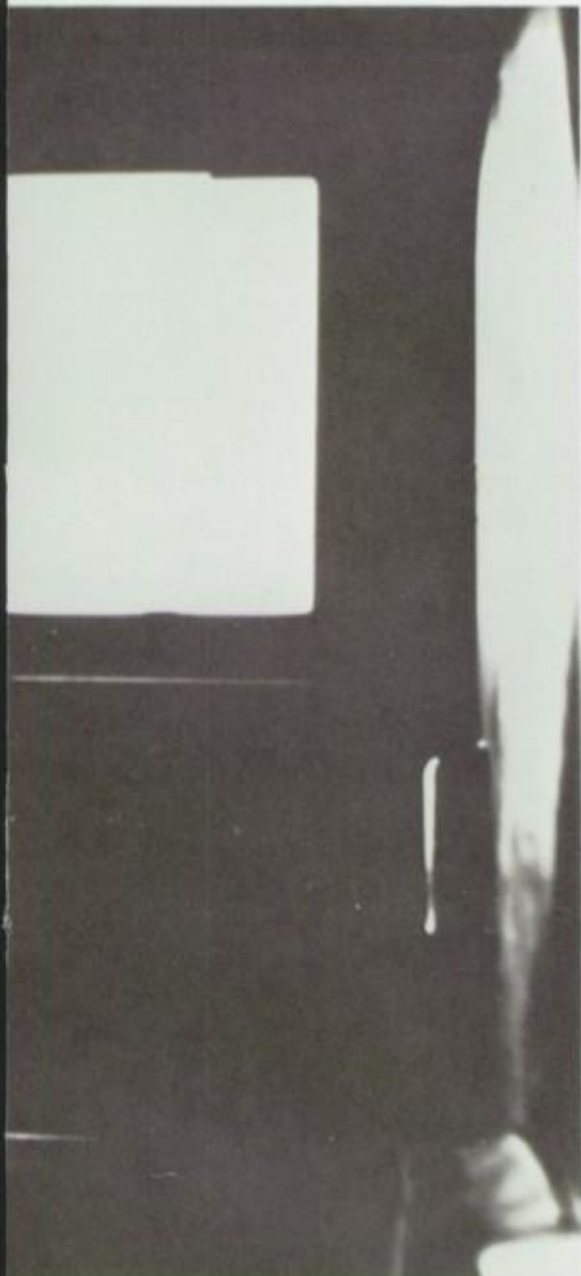

I love you my friend.
You're quite dear to me.
A true friend you are,
And always will be.

But you're leaving me soon,
And going your own way,
Perhaps we will meet
In the future someday.

You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad.

I wish you good luck
In all that you do,
May all of life's pleasures
Come your way too.

Farewell now, my friend,
And please may you find,
Some thoughts of me,
Always in your mind.

Time is not measured
by the years that you live
But by the deeds that you do
and the joy that you give --
And each day as it comes
brings a chance to each one
To love to the fullest,
leaving nothing undone
That would brighten the life
or lighten the load
Of some weary traveler
lost on Life's Road --
So what does it matter
how long we may live
If as long as we live
We unselfishly give.
Helen Steiner Rice

Thank you from Kim Engel, editor, and Mrs. Barbara Finney, advisor, to the following people, who without their help, this book would not have been possible.

The other editors and the yearbook staff for their patience and time in writing copy and other help.

The photography club for the pictures they contributed and having to put up with late requests.

Teachers for interruptions to their classes during "emergencies."

Ms. Sonja Kipper and her advertising design class for the addition of original ads.

Steve Westfall for drawing the teacher caricature pictures.

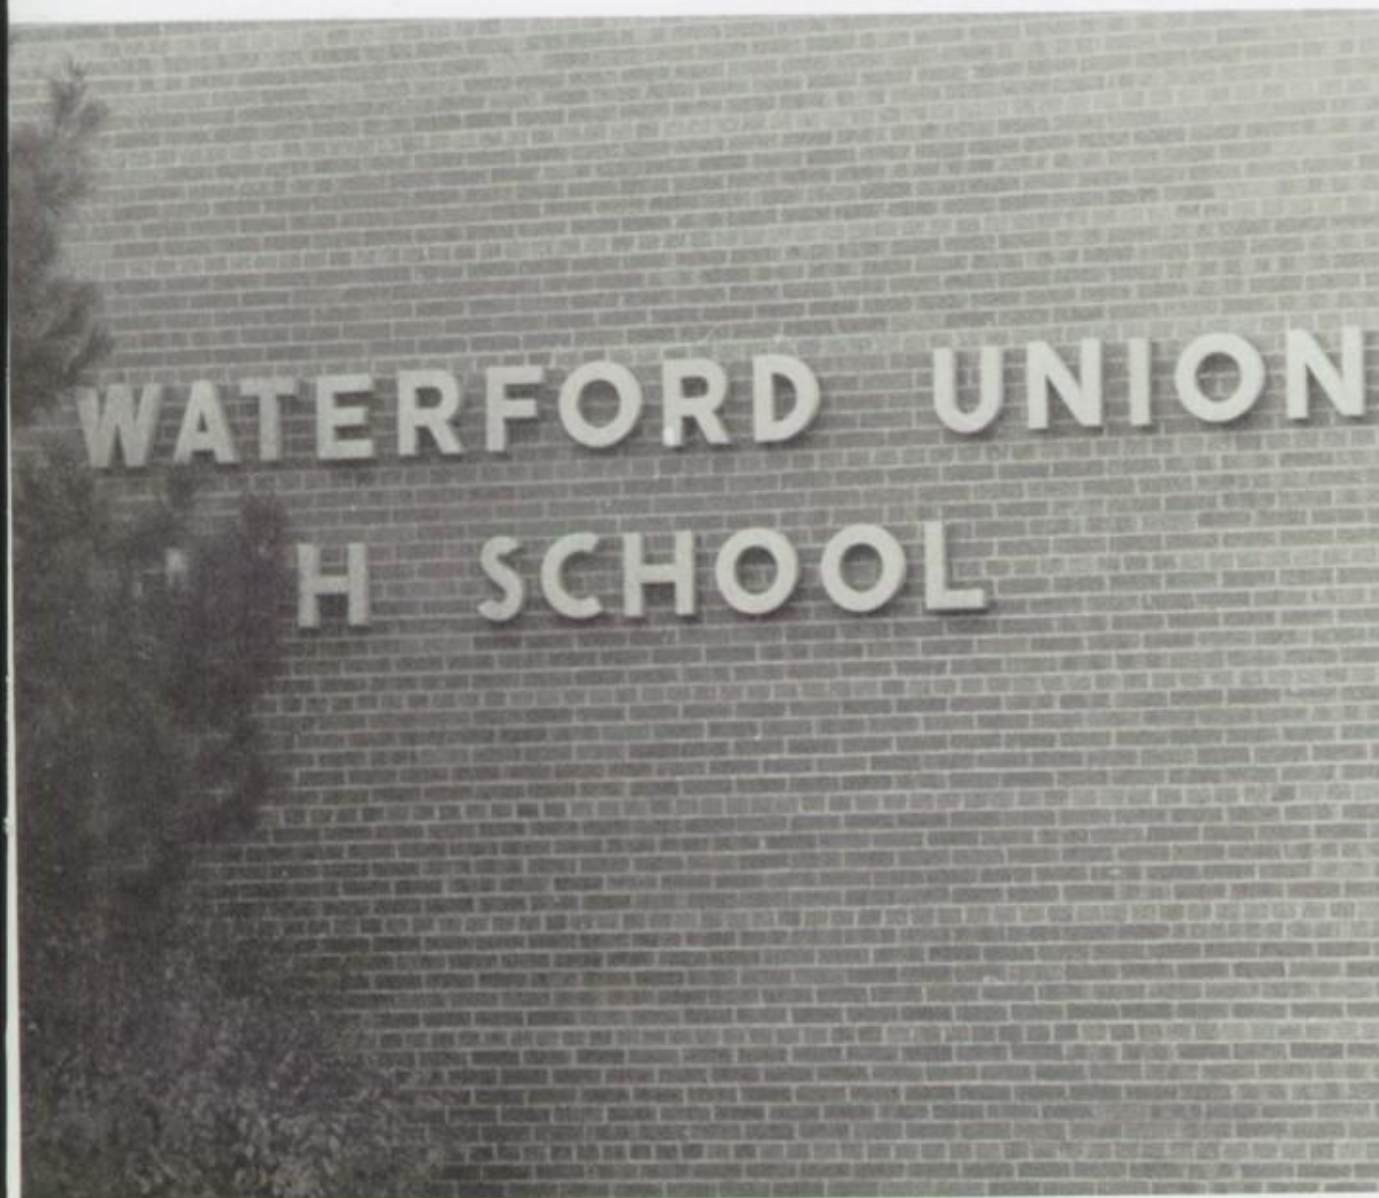

Mr. Little for taking our sports team pictures and keeping track of our other photographers.

Area businessmen who have generously placed ads in our yearbook.

The janitors for allowing the staff into the buildings at inopportune times, such as Saturdays.

Janine Naus for her devotion in taking and developing pictures.

Everyone else in this book, who really make it what it is!

Congratulations!
We believe in youth.
